

Brisbane Airport - Export Park Stage 3

Brisbane Airport

CLIENT:	Civil Contractors
LOCATION:	Brisbane Airport, QLD
PROJECT VALUE:	\$550,000.00
CONTRACT PERIOD:	24 Weeks
COMPLETION DATE:	January 2010

PROJECT DESCRIPTION

Export Park, located in Brisbane's Airport District consists of approximately 90ha. This precinct is ideally located to facilitate air cargo operations and has been designed as a corporate office park catering for the individual functions associated with Cargo Terminal Operators, Freight Forwarders and Warehouse Distribution networks.

Underground Power was contracted to provide infrastructure development and laid over 11,000 meters of conduit.

A specialist Under-road borer was also utilised during the project to bore 2 600mm diameter under bores that contained 8 conduits for a length of 40m underneath existing roadway and swale drain.
