

Mica Street - Transformer Upgrade

Mica Street, Wacol - Transformer Upgrade

CLIENT:	Electrical Data and Security Services Pty Ltd
LOCATION:	Mica St, Wacol QLD
PROJECT VALUE:	\$163,229.00
CONTRACT PERIOD:	6 Weeks
COMPLETION DATE:	September 2019

PROJECT DESCRIPTION

Mica St, Wacol, located in Brisbane was a transformer upgrade and Transformer relocation project for a major food manufacturer. Underground Power provided services such as Installation of a new 1500kVA Ground Transformer in an existing Substation, Recover an ABB Safelink RMU and replace with an ABB SafePlus RMU, Remove an existing 1500kVA Ground Transformer from inside a non-compliant substation and Construct a new Outdoor Substation

The project was completed on time and within budget while also ensuring strict quality and safety standards were followed.
