

Mt Samson Rd - Street Light Development

Street Lighting Development

CLIENT:	Civil Contractors
LOCATION:	Mount Samson, QLD
PROJECT VALUE:	\$155,000.00
CONTRACT PERIOD:	28 Weeks
COMPLETION DATE:	May 2010

PROJECT DESCRIPTION

The Mt Samson Road Street Light Development project was completed in 28 weeks at a cost of \$155,000.00.

As with all street lighting projects, considerable safety risks are present due to the close proximity of the work site to high volume traffic areas. Underground Power's experience in working in high risk areas ensured that all workers were provided with the safest possible working environment.

Underground Power supplied and installed underground conduit & Rate 2 Street Lighting.

The project was successfully completed on time, to budget and met all quality and safety requirements.
